*SOURCELINE*

36.

Tuesday, 15 July 1969

Through [redacted] Chief, LA Branch, I requested information on the "Comision Nacional de Prensa," which is the source of press releases being filed by Caribbean Bureau from Honduras. [redacted] called me back to say that she had confirmed from reading recent Honduran newspapers that this is a Honduran regulating agency for press, radio and TV. She described it as a "combined USIA-FCC type of operation if the United States were under a dictatorial type of government, as is Honduras." This confirms the validity of the sourceline provided for Cariburo: Tegucigalpa Official Press Release in Spanish to (recipient). (cc: C/MOS, C/Processing Br., C/LA Br., AC/Cariburo)
